In honor to Miss E. M. Stalley, who taught in Maui last year and is going to Honolulu to teach there, Mrs. Howell entertained this week on the lanai of her home. A varied program was offered which included the reading of an Irish play by Mrs. Helen Mar Linton. Tea and other most delicious refreshments were served. Among the guests saying farewell to Miss Stalley were Mrs. Lougher, Mrs. Marshall, Miss Marshall, Mrs. Parsons, the Misses Parsons, Mrs. Linton, Mrs. Edmund Baldwin, Mrs. Burr, Miss Edna Hill, Mrs. Vincent, Mrs. Mellor, Mrs. DeKay, Miss DeKay, Mrs. Pleasant, some of the new teachers and others.

MAUI WOMAN'S CLUB

The Educational Department, of which Mrs. H. M. Linton is chairman, will hold a meeting on Monday next, September 12th, at 3:15 p. m., in the Territorial Building. All members of the department, as well as all who may wish to affiliate with this department of the club for the coming club year, are asked to be present, as plans for work will be taken up and appointments made.

What He Said

The Sunday school teacher was talking to her class about Solomon and his wisdom. "When the Queen of Sheba came and laid jewels and fine raiment before Solomon, what did he say?" she asked presently. One small girl, who evidently had experience in such matters, replied promptly: "Ow much d'yer want for the lot?"—The Evening News (London).

Movement for Woman's Rights Hits Formosa

TAIWAN, Formosa, Sept. 8.—(Associated Press)—The world movement for woman's emancipation has struck Formosa. Her women who are mostly of the Chinese race are demanding the abolition of the system of "engagement money" which is paid by their suitors when the marriage contract is made, declaring that the payment of money to their parents is an insult that their dignity and position as free-born women.

A young lady of education, a graduate of a girl's school, commands as much as Yen 1,500 to yen 2,000 as engagement money and such a sum is a very desirable addition to the family fortune these days, but these young ladies refuse to consider themselves livestock and decline marriage without personal consent and with a bridegroom of decent and sufficient education. Most Formosan marriages are arranged on the basis of the desirability of the engagement money and the bride-to-be has little to say about the matter.

Some young women insist that the trouble with "engagement money" is that it is too high and desirable suitors often are kept away because they cannot pay the price demanded. A certain number of the less modern women are demanding that the "engagement money" be reduced to a point where matrimony will be easier of accomplishment for them. The Formosans are polygamists but the modern tendency is to remain satisfied with only one wife. It is said that if "engagement money" does not decrease soon the habit of plural marriages will decrease because very few men can afford to purchase more than one wife at present high prices.

Economy Is Demanded In Government Departments

(ASSOCIATED PRESS)

WASHINGTON, Sept. 7.—The white house said today that instructions have been given to the heads of all governmental departments to exercise strict economy in preparing estimates. Harding has insisted on great reductions in estimates and it is understood one of the principal reductions in governmental expenses will come from that source.

In a letter to Senator McCormack Harding said great progress has been made towards retrenchment officially. The letter was in regard to democratic attacks on the legislative record of the administration.

Chairman Penrose announces there is a growing sentiment in the finance committee for the repeal of the excess profits tax to be retroactive as of January.

BRING DEAD HOME

(ASSOCIATED PRESS)

HULL, England, Sept. 7.—The bodies of the American naval victims of the disaster to the giant dirigible ZR-2 which exploded over this city two weeks ago, were entrained for Plymouth today en route to the United States.

Thousands of persons lined the streets as the bodies were borne to the railroad station.

The British cruiser Dauntless will transport the bodies from Plymouth to New York and will arrive about September 17, when official exercises will be held, the program to be announced later.

Hughes Says Disarmament Conference Is Misnomer

(ASSOCIATED PRESS)

WASHINGTON, Sept. 8.—Secretary Hughes while conferring with newspaper men this morning said that one could naturally criticize the term "Disarmament Conference" as a misnomer. He said the proper official term to describe it should be "Conference for Limitation of Armament," which, he said, had an entirely different meaning.

Penny Wise and Pound Foolish

Some concerns think it economy to send orders to Honolulu or to the mainland when they could be filled as well or better at home. They figure they save a few cents on the dollar by doing so and grasp at the nickel in sight.

BUT

Every dollar spent with Maui concerns passes from hand to hand, in wages, to the store, to the bank and out again into circulation, back to the concern that sent it out, again to be sent forth on its rounds. The profits accruing from the dollar kept in home circulation are many times larger than the small saving in the dollar sent away.
